

LABORATORY LINE

Laboratory ovens/incubators

- Drying ovens up to 200° C, 300° C, 350° C
- Multi-chamber ovens
- Incubators up to 100° C

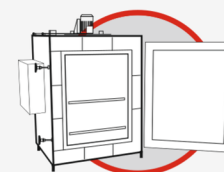

Laboratory furnaces

- Muffle furnaces
- Chamber furnaces
- Ceramic chamber furnaces
- Ashing furnaces
- Tube furnaces
- Weighing furnaces
- Shaft/top loading furnaces
- Protective atmosphere furnaces

INDUSTRIAL LINE

Industrial ovens

- Chamber ovens up to 250° C, 450° C, 650° C, 750° C
- Removable hearth ovens
- Walk-in type ovens

High temperature electric furnaces

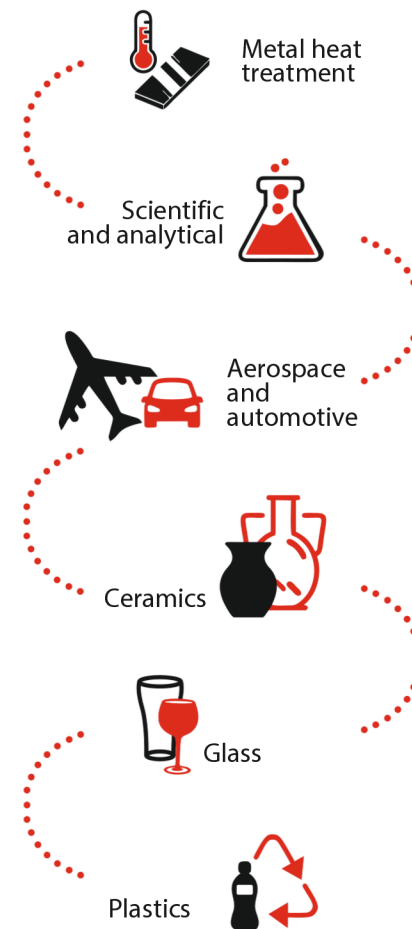

- Chamber furnaces up to 1300°C
- Removable heart furnaces

Customised projects

- Hardening line
- Conveyor type
- Shaft/top loading
- Gas heated
- Protective atmosphere
- AMS2750G and CQI-9
- EN1539
